FRIENDSHIP

IS

MAGIC

A friend
basks in
the warmth
of love.

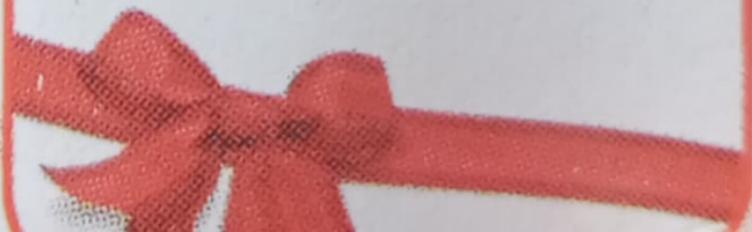

A friend
walks in,
when the
world walks
out.

A friend
in need
is a friend
indeed.

One who finds
a faithful
friend, finds
a treasure.

A friend
shares a
lot of
memories.

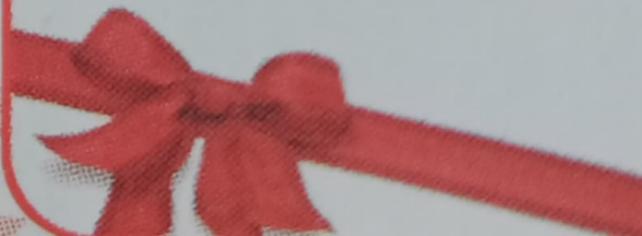

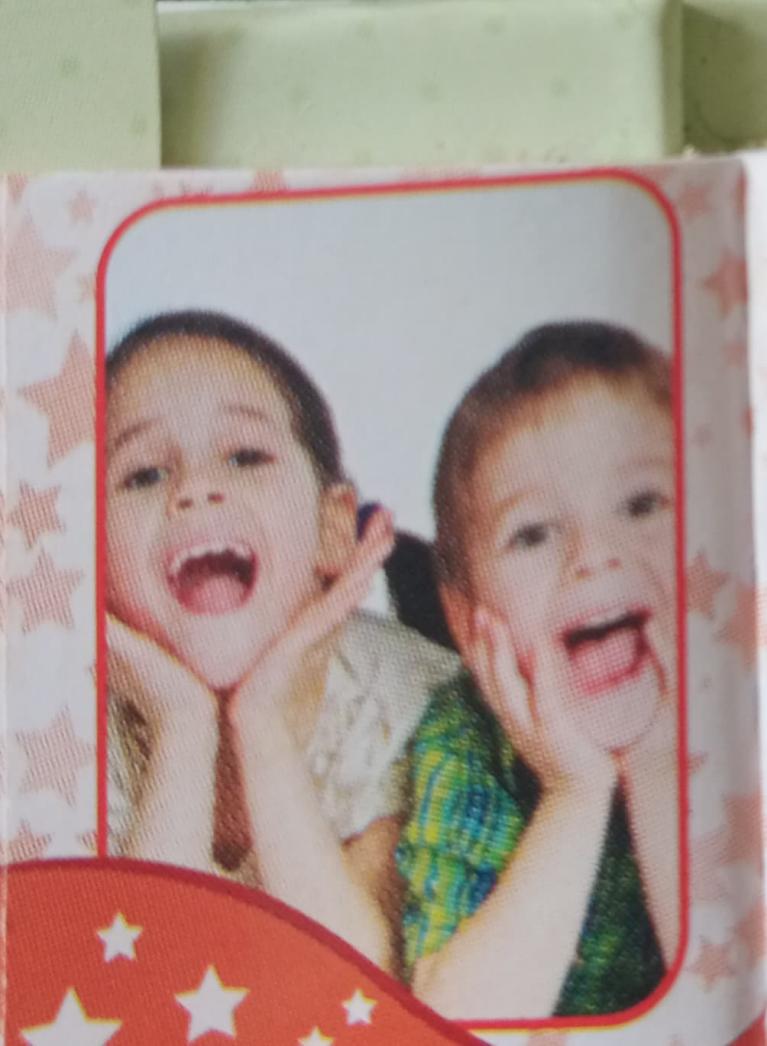

A friend
forms a
joyous part
of life.

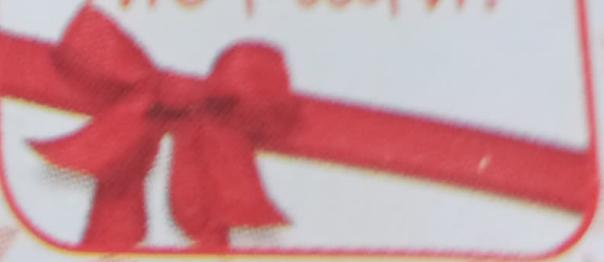

A friend is
like a jewel,
precious
and more.

A genuine
friend is
like a mirror
that reflects
the truth.

A friend
provides
kind advice.

Between
close friends
there is
no pretence.

A friend
is a
gift of life.

A friend
always brings
a smile
on the face.

A friend
makes each
moment full
of pleasure.

A friend
always stays
in touch, come
what may.

A friend
always lends
a helping
hand.

A friend
makes the
world a better
place to
live in.

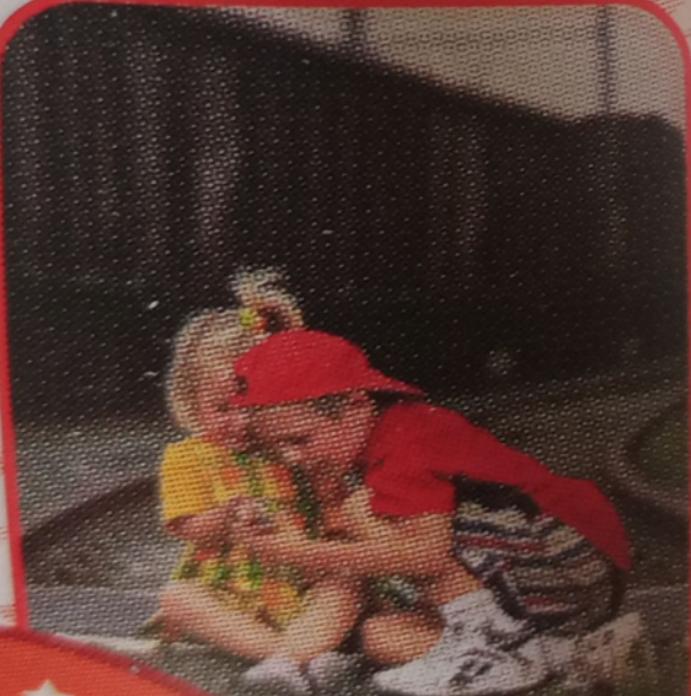

A friend
adds
meaning to
life.

Silence
speaks more
than words,
between true
friends.

A friend
brings out
the best.

The only way
to have
a friend is
to be one.

A friend
spreads
happiness
all around.

A true
friend always
stands the
test of time.

A friend
is a gift
one gives
oneself.

A friend
brings
sunshine
into life.

A unique book
that can be
gifted or kept as
a keepsake.
